Re: United States v. John Ebeling, et al.  
Criminal Docket No. 10-696

Dear Counsel:

Enclosed is a preliminary index for the recordings that are currently located at First Choice Copy Center. This index contains the government's summaries of the recordings, which was done for your convenience. It is not meant to limit the recordings that we intend to play at trial. Accordingly, the government recommends that you review all the recordings, not just what we highlighted in the index. If you have any questions, feel free to call us.

Very truly yours,

LORETTA E. LYNCH
